tional Museum.

Today will be parcel post day at the convention of postmasters from Maryland, Virginia, Delaware, North and South Carolina, which opened in the New National Museum yesterday. The convention will last three days, and will take up many important questions for the perfection of efficiency in the Post-office Department. A committee will be appointed to form a national organization of postmasters.

Ied the delegates on an inspection tour of the new city postoffice, which has been to the Corps of Washington correspondents arrived in the Senate Press Gailery yesterday, his head swathed in a bandage, which gave him the appearance of a major general in the sink army. Even his brow was bandaged and the rolls of cotton ribbon and absorbent cotton reached well below the cars. His plight created a sensation So much work now confronts the excise board in the hearing of applicants the perfection of efficiency in the Post-office Department. A committee will be appointed to form a national organization of postmasters.

The public will be admitted to today's seasion, which will open at 9 a.m. Advantages of the parcel post in reducing the cost of living, by shipping farm products to the people direct, will be explained by several speakers, including Postmaster Freager. Proposal to Begin Campaign to Attract Tourists Here Finds Hearty Support.

CIVIC BODIES ARE IN LINE

Suggested Committee Be Formed to Raise Money for Purpose of Advertising City.

Proposal of a campaign by which to attract tourists to Washington, as made in The Herald yesterday, took definite form when R. P. Andrews, president of the Retail Merchants' Association, outlined a plan by which to obtain for this city some of the money-now being spent in this country for travel-which would have been spent in Europe but

a committee, to be composed of the presidents of the three commercial organizations of Washington—the Chamber of Commerce, Board of Trade, and Retall Merchants' Association—and of the business managers of Washington the business managers of Washington to the city. He leaves the business managers of Washington to the city. He leaves the business managers of Washington to the city. He leaves the business managers of Washington to the city. newspapers.

This committee would suggest means by which to raise money and to ad-vertise the advantages of Washington. vertise the advantages of Washington.
Public subscription lists would be formed.
The blan suggested by Mr. Andrews
met with the unqualified approval of
William F. Gude, president of the
Chamber of Commerce. Cuno H. Rudolph, president of the Board of Trade, could not be consulted, as he is out of the city and will not return until

At the meeting last night of the joint conventions finance committee of the Chamber of Commerce, Board of Trade, and Retail Merchants' Association, mem ers unanimously approved the plan sug-

gested. Mr. Andrews was shown an article printed in The Herald of yesterday, in which many well-known business men

Had Considered Plan.

"I had considered such a plan," said ir. Andrews. "I had thought of the

A member of the corps of Washington as climate, scenic, and charge of athletics at Amnapolis.

The telegram from Col. Townsier, how-correspondents arrived in the Senate Press Gallery yesterday, his head swathed in a bandage, which gave him the is no reason why Washington cannot sage to Secretary Garrison was as followed by the senate of athletics at Amnapolis. The telegram from Col. Townsier, how-correspondents arrived in the Senate I think all the plan requires is the support of business men. If it is given proper impetus—and we all will benefit—there is no reason why Washington cannot be equalled.

Among members of the joint conven-tion finance committee who approved the idea last night were Chairman John Jolph, M. A Leese, Harry King, Ralph Dolph, M. A Leese, Harry King, Ralph

W. Lee, E. C. Graham and Thomas

Grant. All are prominent in the work
of bringing conventions to this city and
in raising funds to support the joint
committee of the organizations. All are
members of the most prominent commitmembers of the most prominent committees in their organizations, and nearly all are officers.
Mr. Dolph, Mr. King and other mem-

them were C. J. Gockeler, secretary of the board, and William H. Saunders, a well-known real estate broker. Mr. Saunders was particularly optimistic. "With a methodical plan, such as this," he said, "even if the war is ended, it will be a long time before the unfortunate conditions existing will be sub-

Give Your Blood The Vital Spark

Drive Out Impurities and Make the Skin Smooth and Clear.

Poisons in the blood, so undermine the health as to leave the system in a low state of resistance. But use S. S. S. for a brief time and you flare up the vital spark of blood vigor. It sweeps its way all through the body, dislodges rheumatism, relieves catarrhal congestion, clears the throat and bronchial tubes, dries up all akin eruptions, enables the kidneys, liver, bludder and lungs to work promptly and effectively in carrying impurities out of the circulation. S. S. S. is the best known medicine for the blood and has the confidence of a host of people. They know it is harmless to the stomach and experience has shown that it accomplishes all that was ever expected of mercury, iodide of potash, armenic and other destructive witnessels. a brief time and you flare up the vital medicine for the blood and has the confidence of a host of people. They know it is harmless to the stomach and experience has shown that it accomplishes all that was ever expected of mercury, iodide of potash, arsenic and other destructive minerals.

of potash, arsenic and other destructive minerals.

Get a bottle of S. S. S. today at any druggist. Read the important folder weapped around the bottle. It tells of the work being dome by a famous medical department, with aids and helps that have proven of wonderful value to those suffering with blood diseases. For a special book on the subject written by an expert, address The Swift Specific Co., 57 Swift Bldg., Atlanta, Ga. For nearly half a century S. S. S. has been the safeguard of a myriad of people who are living examples of what wonders can be accomplished by this famous blood purifier. Get a bottle today but refuse all substitutes.

sided and Europe will-be inviting for "Naturally, therefore, the tourist class will have to turn to the United States. The National Capital is the central place of interest. I heartily approve the

Heartily Approves Plan.

Thomas Grant, ascretary of the Chamber of Commerce, and the joint conventions finance committee, approved heartly of the plan.

"It can be worked out beyond doubt. There is lots of room for publicity of a good sort, and I think the present plan is the most practical suggested by anyone, as it calls for certain results without undue expenditure. If business men will stand behind the idea there is no reason, that Washington finally may not be made a synonym for travel."

A plan which is sure to give Washington valuable advertising as a tourist reton valuable advertising as a tourist re

ton valuable advertising as a tourist re-sort was published yesterday in a state-ment authorized by Adolph C. Miller, of the Federal Reserve Board, chalfman of the government exhibit board which has charge of the federal exhibits at the Panama-Pacific Exposition.
Moving pictures are to be shown of every sort of activity in Washington.
Members of Congress will be shown in action, and there will be views of treaty signing at the State Department, of Mount Vernon, Arlington Cemetery.

army posts, Cabinet officers, and of all public buildings. Nearly all government departments will have exhibits.

DIFFERENCES ON GAME

Col. Townsley, Head of West Point, Says All Reports to that Effect Are Unauthorized.

JOINT PROPOSAL NOT ACCEPTED

Point and Annapolis athletic authorities had settled their differences over the site of the annual football game between the two academy teams, and agreed for two games at Philadelphia and one at New York in the next three years, had their quietus last night with the receip of a telegram by Secretary Garrison from Col. Townsley, superintendent of West Point, advising him that all reports to that effect were unauthorized.

Mr. Andrews.

formation of a committee of seven, to
